Dear Mr. Butchart:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule H4 of your report discloses \$250.00 in payments for "001-Janitorial" to individuals. Please clarify whether these individuals are employees of your committee. You are advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election must not be allocated between or among federal, non-federal and Levin accounts. Rather, only federal funds may be used. Any reimbursement from your committee's non-federal or Levin account for salary and wage payments is not permissible and must be returned. Please provide clarification regarding these payments.

-Schedule H4 of your report discloses a payment for "007-Voter List" Please be advised that 11 CFR §100.24(b) defines as Federal Election Activity, Voter identification, Generic Campaign and Get-out-the vote activities conducted in connection with an election in which one or more candidates for Federal office appear on the ballot. Furthermore, the costs for these types of Federal Election Activity must either be paid with federal funds or can be allocated between federal and Levin funds as long as the activity conducted does not refer to a clearly identified candidate for

Federal office. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
